### 2019 PACKET FOR EXTENSION RENEWAL INDEPENDENT CONTRACTOR CERTIFICATE OF APPROVAL

To: All Independent Contractors on WV Mine Sites  
From: Eugene White, Director *EW*  
Subject: 2019 Extension Renewal Independent Contractor Certificate of Approval

This packet contains the necessary forms and application for the **EXTENSION RENEWAL of your 2019 INDEPENDENT CONTRACTOR CERTIFICATE OF APPROVAL**. This renewal is required for you to perform work at West Virginia coal mine sites. If you received this packet you currently hold a 2018 permit that will expire on January 31, 2019 and must be renewed to continue to perform work during calendar year 2019 at WV coal mine sites.

In accordance with WV Code 22A-2-63(e), application for extension of certificate of approval must be submitted to the Office of Miners' Health, Safety and Training within thirty (30) days after the first day of January of each year. Such application must be accompanied by a one hundred-dollar (\$100.00) renewal fee. An extension to the existing certificate of approval will be granted if at the time such application is made, the operator has paid or otherwise appealed all penalty assessments, and all required quarterly reports have been filed. In addition, your permit must have a current approved Comprehensive Mine Safety Program, and your company must be in compliance with Worker's Compensation, Unemployment Compensation, and the Division of Labor.

The attached application and general information forms must be completed in their entirety, and must include the signature of a Corporate Officer and returned with a check or money order in the amount of \$100. Please note that non-compliance of any of the following criteria will cause a delay and your 2019 extension renewal will not be issued until such time the issues are resolved;

- 1) incomplete forms;
- 2) no renewal fee;
- 3) expired comprehensive safety program;
- 4) default on Unemployment Compensation;
- 5) invalid or expired Worker's Compensation;
- 6) outstanding assessments; or
- 7) missing quarterly man-hour reports.

In the event, you don't meet the criteria for 2019 renewal, you will receive **ONE** written notification from this office detailing the criteria necessary. No additional notices will be sent. It is the responsibility of the independent contractor to follow up with our office if you receive anything other than your 2019 extension renewal.

It is required that you list current Corporate officers on the annual application that is filed with our office on the General Information Owners/Officers page and provide an approximate start date. If officers are to be removed, please provide the name, last 4 digits of SSN and give an approximate date of departure. It is important that this information be kept current.

The required application forms for the above referenced extensions are attached to this notice or you can print out this packet from our webpage at:

<http://www.wvminesafety.org/contrfrm.htm>

Your 2019 extension renewal fee and any outstanding penalty assessments can be paid with a Visa or MasterCard at <http://www.wvminesafety.org/epay.htm>. Please provide copies of any online payment confirmations along with the renewal forms.

Please submit your completed application for extension and \$100 renewal fee to the following address:

If you currently have an ***APPROVED INACTIVE*** status, you **must still renew** your permit for the inactive status to apply. The Inactive Status only applies to the reporting of your quarterly man hours.

If you choose not to renew for calendar year 2019 or you haven't filed for an Approved Inactive status, a written request to close your permit is required. Please include the company name, WV permit number (C#), telephone number, contact name, and the effective date of the closure. The written request must be signed and dated by a company official, along with their title and mail to the address above.

Please note, once a permit is closed with our office if you choose to work on mining property you will need to go through the entire permitting process again.
