

**APPLICATION FOR EXAMINATION:  
COAL MINE ELECTRICAL INSPECTOR**

**MINIMUM APPLICATION REQUIREMENTS:**

Candidates for Electrical Mine Inspector must be:

- A citizen of West Virginia, in good health, not less than twenty-four years of age, of good character and reputation and of temperate habits;
- Must have had at least five (5) years of practical electrical experience in coal mines, at least two years of which have been in mines in this state, **or a degree in electrical engineering school and three (3) years of practical electrical experience in underground coal mining;**

If you meet these minimum requirements, **you must attach official documentation from your employer(s) detailing your years of electrical and underground coal mining experience, and the occupation(s) or classification(s) at which you were employed**, beginning with your current employer and position, or your most recent employer and position if you are not currently employed in the underground coal mining industry. Practical electrical experience means the performance of duties requiring a person to be a certified electrician prior to actually performing such duties.
